

Take A Moment

D G
Take a moment to remember
D G
Who God is and who I am
D G D G
There You go lifting my load again
(repeat)

D G
No longer am I held by
D G
The yoke of this world
D G
Come upon you the yoke of Jesus
D G
His yoke is easy and His burden is so light
(repeat)

D G
You're lifting my load
D G
You're lifting my load
(repeat)

D G
Your love carries
D G
Your love carries me through
D G
All the valleys
D G
And the darkest places
(repeat)
